Traben's official majority in Missour

Judge J. K. Knight, one of the judges accidentally shot himselt while

And now W. H. H. Russell of St. ocratic members from the Supreme Louis is trotted out as a Democratic candidate for Speaker of the Missouri harmonize and two bodies are now in House of Representatives. He is a session, each claiming to be the legiti-poor stick. By far the best man who mate legislature. Matters are in a bad has been mentioned for that position by the Democrata is Coionel John F. Williams of Macon. He would make a competent and dignified presiding of-

THE way matters were managed in North Carolina at the late election may be judged from a dispatch from Raleigh, N. C., which says Br. A. J. Glover, suervisor of election at Swan Quarter, alcht of Nov. 6th with the Republiakets for that county in his posession. The body was found some lays after, nearly apright in the water, with his cost down over his head and ion tickets were never found.

A STARTLING report comes from New einted to fill the present vaney-in appealing the Democratic

Straton Walter Young, of Buchan-m county, will appire to be the Demo-ratio leader in the second to be the ses to prork like a beaver for the rest Missouri. Of course, if he be it, as the building is all ready. If enter Young and Sonator Parrish t their heads together and resolve to lish this thing they will be very

te begins to look as though Go M: Frost of St. Louis, who was t election, will be found enaligi-He was educated at West Point d afterwards west into the rebellion. Ender the fourteenth amendment to the Constitution of the United States all each persons are ineligible for such oved by Congress. This has

lerk of the Board of Supervisors while in the matter of tales rounders for milding the court house but in fraudurat elections as well. It is known that is testimosy will be accepted by the rescaling attorney. His revolution ill besoive many Republican as well. Democratic officials, and the partimits of the dividends of the fands led in the court house francis involvement of persons who have been here ensurposted. Woodward, as neger of the pool, was autrented. ger of the pool, was autrusted the enstedy of all the checks which d between all conspirators, and fire pears apon them. Not a single

ion of the losust eggs throughout country are being destroyed by mites, predections insects and other mies. Some are added from excessional are while a few have premarily hatched, but the hopes that some ple are building on these facts are warranted. If nine-tenths of the deposited over large parts of Kan-lowa, Nebraska, Minnesota, etc., aid, from one cause or another, fall nas, lows, Nebraska, Minnesota, etc., should, from one cause or another, fail to hatch next spring, there will still be pump locasts amongh to devoor every green thing, and the people should prepare for the worst. With a mild, alternately freezing and thawing, winter, the destruction of the eggs may be such that the injury will be comparatively slight next spring; but this will not do to count on. The people throughout this section are in good spirits, and are organizing, the better to meet the threatened evil. Let the worst come that the ext term fibered, in this court of the court that the sum of five fundared and frily cause, and that threatened evil. Let the worst come that the ext term fibered, in this court of the court that the sum of five fundared and frily four colours and fact court of their court, the object and suit against him in this court, the object and suit against him in this court, the object and the property of said defendant is now about to be stacked, and that unions the said decentage of the court of their court, which is to recover by attachment.

of the locust eggs. One—the most common and efficient—is a new species Athomic Oulgotest; the second is the promon flesh fly, the third is the larve of a ground bee.

LATEST ELECTION NEWS. The status of the Presidential election since our last issue is practically un-

board, in defiance of the orders of the Supreme Court of that State, counted the boilots and gave certificates of election to the Hayes electors. For so doing the board was imprisoned and its members are now in enstody of the

The South Carolina legislature met on Tuesday and the Republican men bers presented certificates of election from the returning board and the Dem shape in that State and no one can forestell what will be the result of pres-

counties show, on their face, a majority of forty-two for Hayes, but there are ntests in many of the counties and the vote has not yet been officially can-

In Louisiana the returning board is still in session and is now investigating the contested parishes. Both parties claim the State, but the latest reports indicate that it is pretty certain to be onnted for Hayes.

The St. Louis Republican deserved le ranks as one of the great papers of Valley what the London Times is to England. People do not always heed its advice, but they always give it rescasion to read its Democratic partisans a lesson on the attempted fraud by which, through forged returns, Frost s over the head of WELLS and As-on. The Republicans got wind his agreement, and to defeat the this agreement, and to defeat the who was fairly elected. The Republican who was fairly elected. The Republican and Wells will not ce that the vacancy shall be filled. can flatly refused to countenance any such villainy, and expressed its belief that the seat should be given to Metcalf. In so doing, it showed an independence leader in the apper branch of the wild to imitate.
